

## **Measures Related to the Novel Coronavirus COVID-19**

### **Information and Requests for Visitors to Hara Museum ARC**

Measures to prevent the spread of COVID-19 infections are described below.

#### **■ Measures Taken by the Museum**

In order to mitigate the spread of COVID-19, museum staff are mandated to wear face masks during all duties related to the servicing of visitors. Furthermore, interior spaces are disinfected on a regular basis.

#### **■ Requests to Visitors**

- Visitors with any cold-like symptoms are kindly requested to refrain from visiting the museum.
- Visitors are kindly requested to wash their hands with great diligence. We urge visitors to make use of the alcohol hand disinfectant that is available at the information counter and the entrance to the Cafe d'Art.
- Visitors are kindly requested to observe proper etiquette when coughing or sneezing by firmly covering their mouth with, for example, a face mask, handkerchief, tissue paper, the inside of a jacket or a sleeve.

#### **About Open-View Storage Tours**

Tours of the Special Open-View Storage have been temporarily suspended.

Temporary closure of the Museum may be implemented to mitigate the spread of COVID-19 infections. Before visiting the Museum, visitors should check the Hara Museum ARC website and official Twitter account for the most recent announcements regarding the Museum's opening status.

We greatly appreciate your understanding and cooperation in the effort to prevent the spread of the COVID-19 disease.
